POST OFFICE BOX 583
GUILDERLAND, NEW YORK 12084-0583

Dear Friends,

The Guilderland Police Benevolent Association is currently conducting our annual fund drive. The PBA consists of the sworn officers of the Guilderland Police Department. Our organization exists not only to represent our officers, but to provide a way for us to give back to our community with our primary focus being on the youth of the town.

It has been a tough year for our country, from the global pandemic to the unrest in our country. The police profession has been under scrutiny which has impacted the police community at all levels. We have been very fortunate to serve a great community that has overwhelmed our department with cards of thanks, deliveries of food, and kind words. We would like to send our most heartfelt thanks for your continued support during these unprecedented times. It means a lot to us as, we are not only your police officers, we are also your neighbors and part of your community.

This mail drive is the only fund drive the Guilderland PBA conducts during the year. We do not solicit by phone because we know how intrusive it is to receive those types of calls. One hundred percent of the generous donations we receive go directly to the Guilderland PBA. They allow us to continue to support the many causes throughout the community that we proudly serve such as the Pine Bush Little League and Girls Softball, Guilderland Babe Ruth and Pop Warner, Guilderland Youth Lacrosse, Special Olympics, DARE, American Legion Riders, Adopt a Family and the Boy Scouts to name a few. The PBA also sponsors a scholarship each year to a graduating high school senior.

Enclosed are two Guilderland PBA stickers to thank you for your support. These stickers are dated 2020 and remain valid until our next fund drive. If you need more feel free to request more with your donation, or email us at guilderlandnypba@gmail.com. We also continue to have our gold stickers which we provide to anyone who makes a donation of \$50.00 or more.

We know this year has put a financial strain on many due to the pandemic and we certainly understand if it affects your donation amount or even your ability to donate at all.

Once again, we thank you for your continued support and contributions over the years that help us support so many great causes. The members of the Guilderland PBA wish you all health and happiness and look forward to a better and brighter 2021.

Sincerely,

Todd Roberts
